

ADAA TENTS & SHADES

ABOUT US :

ADAA Company is a leading company in the manufacturing and installation of umbrellas and covers of all kinds. Additionally, it produces outdoor furniture made of concrete and wood. The company also provides smart solutions for covering goods and materials transported by heavy-duty trucks.

The company, with its 25 years of experience, has earned the trust of its clients through its exceptional services and unwavering commitment to quality. This trust was further solidified when it expanded its operations to Dubai in 2022, reflecting its dedication to meeting the needs of its growing client base.

“ NO COMPROMISE ON QUALITY ”

TENTS & UMBRELLAS

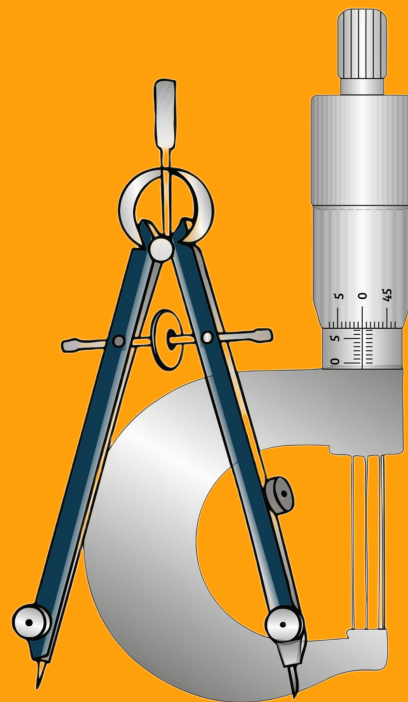

Our company excels in providing creative tents and umbrellas of the highest quality, as we offer a wide collection of tents and umbrellas that serve different needs and requirements of sports' stadiums and events, band umbrellas for schools, gardens , cafés and many other places, by employing modern techniques and durable materials, to guarantee exceptionally performing tents and umbrellas, where our creative designs provide you with total protection from weather factors and harmful sun rays, providing you with comfort, rest and relaxation.

OUTDOOR FURNITURE

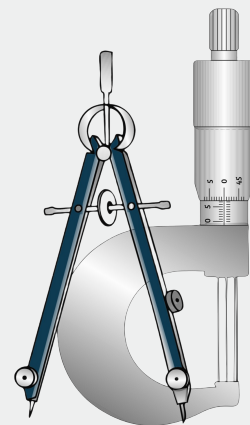

One of our largest departments is our outdoor furniture manufacturing division, where we have achieved excellence in the high quality we provide. We specialize in crafting outdoor furniture from concrete material, in addition to wooden furniture. This division stands as a testament to our commitment to innovation and craftsmanship, ensuring our customers receive products of enduring beauty and exceptional quality that enhance their outdoor spaces.

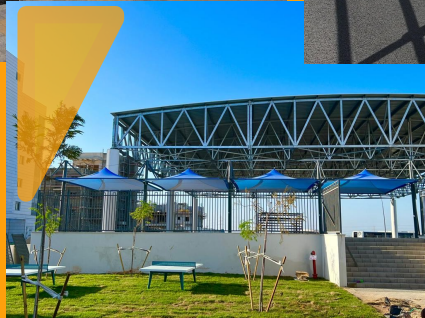

ELECTRICAL TARPS & CURTAIN SIDE

We are proud to present our creative electrical tarp system, which is considered to be one of our most prominent products and represents a vital evolution in the truck industry, as it works on closing the trucks' boxes of all types and sizes in an easy and effective way, reducing the physical efforts required and protects the safety of both drivers and products, as we consider creativity and performance in our designs, and always strive to provide our customers with the latest technologies, if you seek high quality and performance solutions to cover your truck's boxes, electrical tarps from our company is your perfect choice
